Program: Ben Findley presented an interesting talk on Native American Indians in the American Revolutionary War. There were interesting facts that were not previously known as not all tribes sided with the British. The native Americans did not fare as well as other patriots. A blemish in our history for sure.

After the recessional and the benediction the meeting was adjourned at 7:04 p.m.

The next meeting will be held on Monday, November 20th at **Calvert's in the Heights, 670 Scenic Highway.**
